

Gator Amateur Radio Club

Technician Class and Testing Day

November 2nd, 2019

Class: 8:30 am to 3 pm in Larsen 234

Testing: 3 pm in Larsen 234

Cost: \$15 (for FCC testing)

The Gator Amateur Radio Club welcomes all students, faculty, and staff to the 2019 Technician Class and Testing Day on November 2nd, 2019. The one day class will cover all material on the FCC Amateur Radio Technician Exam. A free pizza lunch will be provided for those attending the class.

At 3 pm, a testing session will be offered. The cost to take the test is \$15. Cash only, please. The test requires valid photo identification.

If you currently hold a valid amateur radio license and wish to upgrade, please bring your current license. Plan to arrive at least 30 minutes prior to testing start time.

Space is limited to the first 45 registrants. To register, visit <http://gatorradio.org/licensing.html>. For more information check out our website: <http://gatorradio.org>. We suggest you review the material prior to the event.
